Why Attend Aeromart Nagoya?

Japan is the third-largest aerospace market in the world, renowned for its cutting-edge technology, precision engineering, and innovative supply chain solutions.

Home to over **50% of Japan's aerospace production**, Nagoya is the base for industry giants like Mitsubishi Aircraft Corporation and Kawasaki Heavy Industries.

What to Expect?

Targeted B2B Meetings

Pre-scheduled meetings with top aerospace players and new business prospects.

High-Profile Exhibitors

Discover innovative products, services, and technologies from leading companies worldwide.

Insightful Conferences

Gain insights into the future of aerospace, including sustainability, digital transformation, and supply chain resilience.

Space Suppliers Summit Nagoya

This co-located event will gather professionals from the space industry interested in the latest advancements in space infrastructure and supply chain.

Who Will You Meet?

- ✔ OEMs, Tier 1 suppliers, manufacturers, technology providers, startups, and academics.
- ✔ Industry leaders and decision makers from Japan and around the globe.

Join us now!

Whether you're looking to expand your presence in Japan or seeking to connect with global aerospace leaders, Aeromart Nagoya provides the perfect platform for business success.
